MEMORANDUM FOR: Executive Officer to the DDA

FROM : Harry E. Fitzwater
Director of Training

STATINTL

SUBJECT : Comments on the Draft Paper

1. There are no basic problems with this draft from the standpoint of the Office of Training.

2. We do feel that an explicit reference to OTR's contracting with professors as guest lecturers should be included. This is, of course, a completely overt relationship with the professor as an individual and not as a representative of an academic institution. This could perhaps best be inserted in paragraph d "... at the discretion of either the CIA or the other parties. The CIA will also contract directly with scholars to serve as guest lecturers at various CIA activities; these arrangements will in all cases be open. In no case ..."
